

Cautions for safety

- Please be sure to read through the “CAUTION FOR PROPER USE” for safe and appropriate use of our product in advance of use.
- You can request that we submit a “SPECIFICATION SHEET” when or before an order is placed. You may not use the product for any purpose other than the ones specified in our specification sheet. Since the specification sheet is to assure the quality of the component, please be sure to evaluate and confirm performance within your application before use.
- The products listed in our catalog are intended for standard applications in general electronic equipment. Accordingly, please be sure to consult us to if you have special use condition or an application that may require greater safety or reliability to protect human life and property.
Applications such as transportation, medical, aerospace, power station control are some of the examples of such applications.
