

**MPXA SERIES**

**For AC line, Stud Mounting, Cylindrical Type**

- Inverter smoothing capacitors for Industrial equipment.
- Reliability is excellent because these capacitors provide self-healing.
- High isolation and low loss of polypropylene film used.
- Mounting workability can be improved by stud fixing screw.

RoHS compliance

**◆ SPECIFICATIONS**

|                                      |               |
|--------------------------------------|---------------|
| Category Temperature Range           | -20°C~+70°C   |
| Rated Voltage Range(U <sub>R</sub> ) | 220Vac~500Vac |
| Capacitance Range                    | 15μF~200μF    |
| Capacitance Tolerance                | ±10% (K)      |

**◆ DIMENSIONS (mm)**

- Different capacitance and rated voltage item is available. For details, please consult our sales offices.
- Please refer to screw terminal aluminum electrolytic capacitors section for nut and washer of stud mounting.
