

Notice of the eradication activities related to illegal counterfeit Rubycon products

We have confirmed that "Counterfeit Products" marked as if they were made by Rubycon even though they were not made by Rubycon are in circulation. The counterfeit product has recently become indistinguishable at first glance and it has been increasing that customers suffer damages from purchasing counterfeit products without knowing. Thus, we are working on the eradication of the counterfeit products, including but not limited to the followings actions:

- Worldwide track and investigation on manufacturers and distributors of the counterfeit products
- Advertising activities to eradicate the counterfeit product
- Introduction of the proper/recommended purchase route to the customers

Rubycon is participating in the IIPPF (International Intellectual Property Protection Forum) to eradicate counterfeit products in cooperation with various organizations and companies.

If you have any questions about our products, please feel free to contact with any of our sales office or agency as published on the below web links:

<NOTICE>

PLEASE UNDERSTAND THAT WE SHALL NOT BE LIABLE FOR FAILURES AND DAMAGES ARISING FROM OR IN RELATION TO USE OF COUNTERFEIT PRODUCT.

Customers' understanding and cooperation as well as continual use of Rubycon's products will greatly be appreciated.
